“A picture is worth a thousand words.”

And we have some great ones in this newsletter. Much for which we can be thankful! The many picture-perfect days in this beautiful season also come to mind.

But, thank God, there is always more that meets the human eye.

“We look not at the things which are seen, but at the things which are not seen; for the things which are seen are temporal, but the things which are not seen are eternal.”

—2 Corinthians 4:18

We always have reason to thank God, who opens our eyes of faith. Then those

thankful hearts become the unfailing source of a spring-like life which is daily renewed-- and fulfilled in the bliss of the life yet to be revealed.

Let's not become so occupied with those summer activities which we can pursue in the beauty of nature that we start to forget what is most beautiful of all-- and miss out on life in all its fullness.

Stay close to the Word. It is different than those human words that can seem to be more like clutter in the beauty around us than any kind of help.

The Word is, in fact, a window to and the way to what is both perfect beauty and eternal-- and the unfailing source of the thanksgiving that produces the real life that is both abundant and eternal.

SURGE

IMMANUEL LUTHERAN YOUTH GROUP

Another year of Surge completed!

It is hard to believe that we have wound up another year of Surge Youth Group! It was so wonderful to see two of the youth (Landon Bauman and Avery Bobby) Confirm their faith on May 12th, and then see them return for the final group night on May 19th. We also have two other young people (Kaylee Anderson and Jimmy Miller) who are planning to confirm their faith as soon as this fall. We are so thankful for the volunteers and parents who supported this ministry. And we look forward to continuing it this fall, starting in August.

It was so encouraging to hear that all of the older youth who were asked to help out with VBS this August are willing to give us their time and help out! We are looking forward to what God has in store for them in the future!
